**VERTICAL GARDEN**

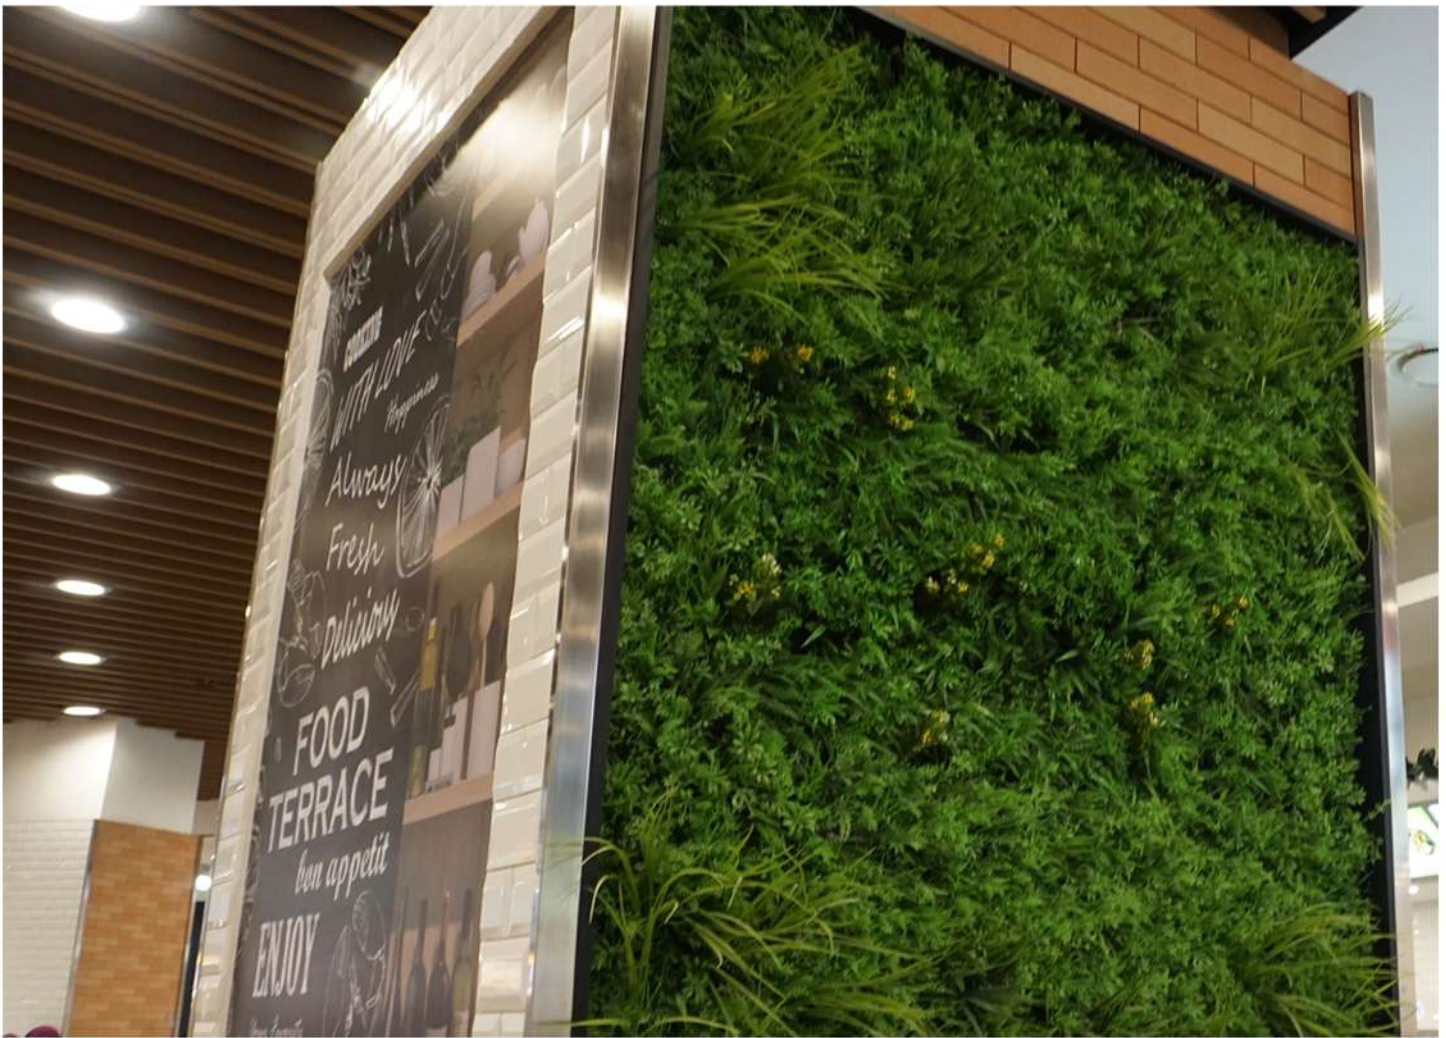

Creating shades of green in the interior does not always have to be too crowded. If you want to show a simple impression, we give an examples of several vertical garden projects that have a minimalist and low budget concept. But mix and match with your interior.

## FOOD TERRACE – AEON SENTUL

Plants in a rectangular shape measuring 60x40cm combined with grass and a touch of yellow flowering plants. Simple isn't it?

Plants in a square shape measuring 50x50cm with diagonal pattern mix plant fern matt and yellow tea leaf matt
